

PRELIMINARY PROGRAM

THURSDAY MORNING

1. Redbud B, C

Symposium: *Historic Tribes of Mississippi and Alabama: Recent Developments in Chickasaw and Choctaw Archaeology*

Organizers: Kimberly Wescott and Terrance Weik

- 8:00 **Harte, Marybeth T.**, *Anthropogenic Ecological Impacts of the Colonial Chickasaw through a Study of Faunal Remains*
- 8:20 **Clifford IV, Walter A.**, *Chickasaw Plant Use: An Investigation of Three Chickasaw Sites from the 17th and 18th Century*
- 8:40 **Moody, C. Adam**, *Frenchmen, Scoundrels, Fossils, and "Fameiles": Chickasaws and their Visitors in the Seventeen Aughts*
- 9:00 **Wescott, Kimberly**, *17th and 18th Century Chickasaw Households and Communities*
- 9:20 **Lieb, Brad R., and Kimberly A. Wescott**, *Chickasaw Ceramics and Community Organization at Chokkilissa'-Old Town, 1675-1800*
- 9:40 **BREAK**
- 10:00 **DePratter, Chester, Brad Lieb, Charles Cobb, Steven Smith, and James Legg**, *The Search for the 1736 Battles of Ackia and Okla Tchitoka*
- 10:20 **Doherty, Raymond, John F. Lieb, and Brad Lieb**, *Good Fare and Tribal Affairs: The George and Saleeche Colbert Site*
- 10:40 **Weik, Terrance**, *Land Use, Slavery and Transformation in 19th c. Chickasaw Mississippi*
- 11:00 **Little, Keith, and Hunter Johnson**, *An Archaeological Assessment of Choctaw Origins*
- 11:20 **Hollenbach, Kandace, Jessica Vavrsek, Jessie Johanson, Stephanie Hacker, Keith Little, Hunter Johnson**, *Historic Choctaw Foodways at Two Sites in Kemper County, Mississippi*
- 11:40 **Dumas, Ashley**, *Choctaw Pottery from Fort Tombeche, 1736 to 1763*

2. Regency F

General Session: African-American Studies

Chair: Jodi Barnes

- 8:00 **Galle, Jillian, and Fraser Neiman**, *Introducing the DAACS Research Consortium*
- 8:20 **Rooney, Clete, David Morgan, and Kevin MacDonald**, *Investigating the 18th-Century French Colonial Metoyer Land Grant Site, Natchitoches, Louisiana*
- 8:40 **Bonhage-Freund, Mary Theresa, Leslie E. Branch-Raymer, and Brad Botwick**, *Site 9CH1205: Window to Southeastern Ante-Bellum and Post-Bellum African American Foodways*
- 9:00 **Barnes, Jodi**, *Intimate Archaeology of Enslaved Life at Hollywood Plantation: The Ell Kitchen*
- 9:20 **Anderson, C. Broughton, and Shabria Williamston**, *Freed Blacks in Appalachia: Discovering the White/Baxter Family Property*

3. Regency G

Symposium: *The Humanized Appendix: Contemporary Approaches for Environmentally Focused Subfields*

Organizers: Elyse M. Anderson, Paulette S. McFadden, and Andrea Palmiotto

- 8:00 **Palmiotto, Andrea**, *Mullet over: Rethinking Seasonality in the Lower Suwannee Region, FL*
- 8:20 **McFadden, Paulette S.**, *The Winds of Change: Finding the Human Experience in Geoarchaeology*
- 8:40 **Anderson, Elyse**, *Tracking Down Deer in St. Johns II Country*
- 9:00 **Peles, Ashley A.**, *Transforming Faunal Analysis from What to How at Parchman Place*

- 9:20 **Gunter, Madeleine**, *Persistent Places of the Mississippian Shatter Zone: A Geoarchaeological Perspective*
- 9:40 **Johanson, Jessie, and Andrew Agha**, *Plant Remains as an Indicator of Social Relationships at the Lord Ashley Plantation (38DR83a)*
- 10:00 **Mahar, Ginessa J.**, *From Strategies to Practices: A Mixed Methods Approach to the Archaeology of Fishing*

- 11:00 **Peacock, Evan, Rinat Gabitov, Jonathan Frisch, Bradley Carlock, and Kate Henderson**, *Assessing Site Seasonality and Connectivity via LA-ICP-MS Elemental Analysis of Fish Otoliths: Results of a Pilot Study from the Northern Gulf of Mexico*
- 11:20 **Steponaitis, Laurie Cameron, and Joseph M. Herbert**, *A Morphological Technique for Identifying the Season-of-Harvest of Northern Gulf Oysters*
- 11:40 **Reitz, Elizabeth J.**, *Enduring Questions*

4. Regency H

Symposium: *Subsistence and Seasonality on the Woodland Gulf Coast*

Organizer: Carla Hadden

- 8:00 **Waselkov, Gregory**, *Subsistence and Seasonality on the Woodland Gulf Coast: An Introduction*
- 8:20 **Jackson, H. Edwin, Susan L. Scott, and Samuel H. Butz**, *Subsistence and Seasonality Trends in the Grand Bay Estuary, Mississippi*
- 8:40 **Orr, Kelly**, *Gulf Coast Subsistence during the Woodland Period: Vertebrate Fauna from Bayou St. John (1BA21), Baldwin County, Alabama, USA*
- 9:00 **Little, Maran E.**, *Faunal Analysis from Strange's Ring Midden (8By1355), Bay County, Florida*
- 9:20 **Hadden, Carla**, *Continuity and Change in Woodland Coastal Subsistence: A Case Study from the Florida Gulf Coast*
- 9:40 **BREAK**
- 10:00 **Duke, C. Trevor, Thomas J. Pluckhahn, Victor D. Thompson, and Lori O'Neal**, *Temporal Trends in Invertebrate Faunal Remains from Crystal River (8CI1) and Robert's Island (8CI41)*
- 10:20 **Leone, Karen L.**, *Paleoethnobotany of the Woodland Gulf Coast*
- 10:40 **Krigbaum, John, and Neill J. Wallis**, *Isotopic evidence for Weeden Island Subsistence and Mobility at Hughes Island Mound (8DI45) and Palmetto Mound (8LV2)*

5. Crepe Myrtle

General Session: *Paleoindian & Archaic Periods*

Chair: Asa Randall

- 8:00 **Norman, Sean**, *More Than a Few Bumps in the Road: Stratigraphic Analysis of the Tomoka Mound Complex (8VO81)*
- 8:20 **Endonino, Jon**, *Recent Investigations at the Tomoka Mound and Midden Complex: New Insights into Mound Chronology and Function*
- 8:40 **Greenlee, Diana**, *An "F" in Mound Construction at Poverty Point*
- 9:00 **Randall, Asa**, *Freshwater Shellfishing 9,000 Years Ago in Northeast Florida*
- 9:20 **Bissett, Thaddeus**, *One Person's Trash, Another's Treasure: Archaic Freshwater Shell Middens as Community Resources*
- 9:40 **Cook Hale, Jessica, Michael Faught, and Ervan Garrison**, *A Nice Kettle of Shellfish*
- 10:00 **BREAK**
- 10:20 **Carlson, Justin Nels**, *Caching, Mobility, and Hunter-Gatherer Social Dynamics in the Middle to Late Archaic Green River Valley, Kentucky*
- 10:40 **Franklin, Jay, Maureen Hays, Frédéric Surmely, Lucinda Langston, and Travis Bow**, *Late Pleistocene and Early Holocene Archaeology at Rock Creek Mortar Shelter, Upper Cumberland Plateau, Tennessee*

11:00 **Smith, Morgan**, *A Morphometric Analysis of Ivory Point Specimens from Florida's Submerged Contexts*

11:20 **Ballard, Joanne P., Sally P. Horn, Steven Driese, Chad S. Lane, Zheng-Hua Li, and Elizabeth MacLennan**, *A Late Glacial and Holocene Paleofire Record from Cahaba Pond, Alabama*

11:40 **Taylor, Barbara, and Mark Brooks**, *Asynchronous Mid-Holocene Vegetation Change in the Southeastern Coastal Plain*

6. Redbud A

Symposium: *Georgia on the Eve of Change: Recent Late Prehistoric and Protohistoric Archaeology in the State*

Organizers: Ryan Sipe and Richard Moss

8:00 **Sipe, Ryan**, *The Irene Phase on Bryan Neck: A Growing Case Study on Late Mississippian Settlement Patterns of Coastal Mainland Georgia*

8:20 **Blair, Elliot H., David Hurst Thomas, Matthew F. Napolitano, and Anna M. Semon**, *(Re)Envisioning the Irene landscape on St. Catherines Island, Georgia*

8:40 **Ritchison, Brandon T.**, *Changing Communities: Mississippi Period Transitions on the Georgia Coast*

9:00 **Hensler, Rachel**, *Ceramic Variability in the Ocmulgee River Big Bend Region, Post 1540*

9:20 **Lewis III, C. Thomas**, *Archaeological Testing of Eight Late Lamar Culture, Wolfskin Phase, Sites in the Upper Oconee River Basin, Georgia*

9:40 **Moss, Richard A.**, *Wolfskin Phase - Shifting Settlement in Sixteenth-Seventeenth Century Piedmont Georgia*

7. Dogwood

Symposium: *New Perspectives on the Archaeology of Moundville and the Black Warrior Valley*

Organizer: Erik Porth

8:20 **Hawsey, Kareen L.**, *Vessel Morphology in the West Jefferson Phase: A Functional*

Analysis of Pottery in the Black Warrior Valley of Alabama

8:40 **Lacquement, Cameron**, *Engineering Late Prehistoric Plazas: Physical Modifications at Moundville*

9:00 **Davis, Jera**, *An Archaeogeophysical Approach to Population and Settlement through Time at Moundville*

9:20 **Nelson, Ted Clay**, *Mortuary Practices, Wealth, and Social Status at the Rhodes Site in Moundville, AL*

9:40 **Salberg, Daniel J.**, *Ceramics and the Political Economy of Moundville: a Compositional Study using Neutron Activation Analysis*

10:00 **BREAK**

10:20 **Thompson, Brandon, and Erik Porth**, *Mound Function, Mound Construction, and Mound P: An Examination of a Late Moundville III Phase Mound at Moundville*

10:40 **Funkhouser, J. Lynn**, *Death Beyond the Great Wall: Corporate Kin Groups and Segregated Space at Moundville*

11:00 **Porth, Erik**, *Some of Their Fires Still Burned: Ceremonial Changes and Social Reorganization at Moundville After Social Collapse*

11:20 **Steponaitis, Vincas**, Discussant

11:40 **Smith, Kevin E.**, Discussant

8. Teal Ballroom

Poster Session: *Material Culture and Gender*, 9:00 am – Noon

8a—**Parish, Ryan, and Ellis Durham**, *Not Indiana Hornstone; Spectral Source Characterizations of Kentucky and Tennessee Ste. Genevieve and Upper St. Louis Chert*

8b—**Cooper, Jessica**, *Temporal and Morphological Aspects of Triangular Bifaces*

8c—**Bowman, Satin B.**, *A Study of St. Johns Ceramic Decoration from Canaveral National Seashore*

8d—**Gilmore, Zackary**, *Radiocarbon Dating of Spanish Moss from Orange and Stallings Fiber-Tempered Pottery: Method and Chronological Implications*

8e—**Wesson, Cameron, and Marisa Fontana**, *The Archaeology of Windrush Farm: A Middle Woodland Cobbs Swamp Site in Central Alabama*

2:00 **Lambert, Shawn Patrick**, *Remembering a Celebrated Past: Ceramic and Culinary Continuity among the Post-Removal Choctaw*

8f—**Taylor, Robert**, *Trace Element Analysis of Late Archaic Copper from the Florida Panhandle*

2:20 **Johnson, Jay**, Discussant

8g—**Deere, Bobi**, *Southeastern Iconography: A Quantitative Study*

2:40 **Galloway, Patricia**, Discussant

8h—**Meyers, Maureen, Tony Boudreaux, Stephen Carmody, Victoria Dekle, Elizabeth Horton, and Alice Wright**, *What Happens in the Field? Preliminary Results of the SEAC Sexual Harassment Survey*

11. Redbud B, C

General Session: *Lithic Studies*

Chair: Philip Carr

8i—**Stevens, Karen A.**, *Prevalence of Auditory Exostoses in the Green River Archaic: A Gendered Analysis of Subsistence and Mobility Related Behaviors*

3:20 **Carr, Philip, and Andrew Bradbury**, *Flake Debris as Integral to Investigating the Organization of Lithic Technology*

9. Magnolia

SCARNG Luncheon: *The Current State of Rural Household Archaeology in the Southeast: Best Practices*

11:00 am — 1:00 pm, Jason D. Moser, Keith Stephenson, Tammy Herron, Mike O’Neal, Robert T. Morgan, Karen Y. Smith, Linda Carnes-McNaughton, Chan Funk, Sarah Stephens, Steve Smith, Natalie Adams-Pope, Jason Moser, Jim Bates

3:40 **Smith, Caleb**, *Site 31LE162: A “Gearing-Up Spot” in the Fall Line Region of Southeastern North Carolina*

4:00 **Martin, Tracy**, *An Examination of Lithic Resources and Raw Material Variability in Southern Lancaster County, South Carolina*

4:20 **Craib, Alexander**, *Late Paleoindian and Early Archaic Settlement in the Western Tennessee River Valley*

4:40 **Des Jean, Tom, Randall D. Boedy, and Jessie Moore**, *Paleoindian Presence on the Upper Cumberland Plateau*

THURSDAY AFTERNOON

10. Redbud B, C

Symposium (continued): *Historic Tribes of Mississippi and Alabama: Recent Developments in Chickasaw and Choctaw Archaeology*

Organizers: Kimberly Wescott and Terrance Weik

1:00 **Krause, Richard A.**, *The Metricization of Choctaw Pottery Vessel Forms*

1:20 **Hunt, Elizabeth**, *Changes in Choctaw Ceramics: A Proposed Project Examining the Effects of European Colonization on the Choctaw*

1:40 **Ervin, Kelly**, *The Application of Spatial Statistics to Identify Patterns in the Historic Creek Town*

12. Regency F

Symposium: *From Mound Ritual to Iconography to Spanish Conquistadors: Papers in Honor of Vernon James Knight, Jr.*

Organizers: Amanda Regnier, Rachel Briggs, and Erin Phillips

1:00 **Regnier, Amanda, and Cameron Lacquement**, *Jim Knight's Career in Archaeology*

1:20 **Smith, Karen Y.**, *Woodland Period Chronology in the Apalachicola and the Lower Chattahoochee River Valleys*

1:40 **Gage, Matthew**, *The Coosa River Basin Archaeological Survey Revisited*

2:00 **Briggs, Rachel**, *The Hominy Foodway of the Historic Native Eastern Woodlands*

- 2:20 **Hammerstedt, Scott W., and Sheila Bobalik Savage**, *Symbolic Uses of Color and Directionality in the Arkansas River Drainage of Eastern Oklahoma*
- 2:40 **Phillips, Erin**, *Engraved Pottery of the Hemphill Style Through Time*
- 3:00 **BREAK**
- 3:20 **Markin, Julie G.**, *Searching for Complexity on the Chesapeake's Eastern Shore*
- 3:40 **Persons, A. Brooke**, *A Clear Conversation about Caribbean Chiefdoms*
- 4:00 **Marcoux, Jon Bernard**, *Hobb's Island and Walling II: What Can Two Sites in a "Simple Chiefdom" Tell Us about Moundville (ca. A.D. 1100-1275)?*
- 4:20 **Beck, Robin**, *Bridging Mississippian and Colonial Worlds in the American Southeast*
- 4:40 **O'Hear, John**, Discussant

13. Regency G

Symposium: Forty Years On: Celebrating the Career of Gerald F. Schroedl

Organizer: Cliff Boyd

- 12:55 **Boyd, Jr., C. Clifford**, Opening Remarks
- 1:00 **Riggs, Brett**, *Late Woodland and Mississippian Period Ceramic Patterns at the Ashe Ferry Site, York County, South Carolina*
- 1:20 **Rodning, Chris**, *Cherokee Ethnogenesis*
- 1:40 **Whyte, Thomas, and C. Clifford Boyd, Jr.**, *Dating the Native Occupation of Plum Grove, Northeastern Tennessee*
- 2:00 **Yerka, Stephen, Daniel Brock, Palmyra Moore, and D. Shane Miller**, *Application and Reason in Southeastern Archaeology over the Last Score*
- 2:20 **Heath, Barbara**, *Global Trade, Regional Patterns, and Local Meaning: Cowrie Shells in Colonial Virginia*
- 2:40 **BREAK**
- 3:00 **Sullivan, Lynne**, *The Citico Site (40HA65) in Regional Context*

- 3:20 **Greene, Lance**, *Archaeology and Community Reconstruction of Mid-19th Century Cherokee Farmsteads Along Valley River, North Carolina*
- 3:40 **Ahlman, Todd**, *Consumer Choice in the Caribbean: Examining Material Remains from the Brimstone Hill Fortress, St. Kitts, West Indies*
- 4:00 **Davis, Jr., R. P. Stephen**, *Ayers Town and the Catawba Nation after the American Revolution*
- 4:20 **Kimball, Larry**, *War Points?*
- 4:40 **Chapman, Jeff**, Discussant
- 5:00 **Schroedl, Gerald**, Closing Remarks

14. Regency H

Symposium: Ocmulgee Archaeology: New Perspectives from Central Georgia

Organizer: Daniel Bigman

- 1:20 **Bigman, Daniel, and Adam King**, *New Radiocarbon Dates for Ocmulgee's Early Mississippian Beginning*
- 1:40 **Love, Sarah, and Daniel Bigman**, *Late Archaic Occupations at Ocmulgee*
- 2:00 **Green, Lillian**, *Mossy Oak Revisited*
- 2:20 **Steere, Benjamin A.**, *Household Archaeology at Macon Plateau*
- 2:40 **BREAK**
- 3:00 **Cornelison, John, and Dan Bigman**, *New Understanding of the Historic Creek Town Size and Layout at Ocmulgee*
- 3:20 **Rowe, Abigail, Jacob Lulewicz, and Jennifer Birch**, *Before Ocmulgee: A Comparative Analysis of the Late Woodland-Early Mississippian Settlement Landscape in Northern Georgia*
- 3:40 **Jennings, Matthew**, *Displaying Ocmulgee*
- 4:00 **Williams, Mark**, Discussant
- 4:20 **King, Adam**, Discussant

15. Crepe Myrtle

General Session: Contact and Colonial Periods

Chair: Mary Elizabeth Fitts

- 3:00 **Rimer, Esther**, *A Preliminary Artifact Analysis from the Earthfast Structure at Addison Plantation*
- 3:20 **Worth, John E.**, *From Producers to Consumers: The Changing Economic Role of Florida's Missions during the 17th and 18th Centuries*
- 3:40 **Zych, Lauren**, *Frenchman, Creole, Indian, Slave: The Development and Transformation of Intercultural Relations in Colonial New Orleans*
- 4:00 **Madden, Mary A.**, *Port Power: Tracking the Shift in Prominence from Gloucester to Yorktown during the 18th Century*
- 4:20 **Fitts, Mary Elizabeth**, *"They scarcely plant any thing fit for the support of human life": Intergenerational Stress and Catawba Foodways*
- 4:40 **Mitchem, Jeffrey M.**, *De Soto West of the Mississippi: New Data and Rethinking Old Ideas*

16. Redbud A

Symposium: Life in the Golden Crescent: New Perspectives on the Shell Mounds and Middens of Canaveral National Seashore

Organizers: Margo Schwadron, Alexandra Parsons, and Kathryn Miyar

- 1:20 **Schwadron, Margo**, *Life in the Golden Crescent: New Perspectives on the Shell Mounds and Middens of Canaveral National Seashore*
- 1:40 **Fernandez, Steven, Lori Collins, Travis Doering, and Margo Schwadron**, *Terrestrial and Airborne LiDAR Applications for Shell Mound and Midden Documentation: the Canaveral National Seashore Examples*
- 2:00 **Parsons, Timothy**, *Petrographic Analysis of Ceramic Thin Sections from Turtle Mound, Castle Windy, and Seminole Rest at Canaveral National Seashore*

- 2:20 **Quitmyer, Irvy, and Nicole Cannarozzi**, *The Zooarchaeology of Castle Windy and Turtle Mound, Canaveral National Seashore, Florida*

2:40 **BREAK**

- 3:00 **Jones, Douglas S., Irvy R. Quitmyer, and Margo Schwadron**, *Season of Harvest and Paleoclimate Archives in the Shells of the Variable Coquina Clam (*Donax variabilis*)*
- 3:20 **Parsons, Alexandra L.**, *Shells and Seasons in Mosquito Lagoon, Florida*
- 3:40 **Miyar, Kathryn, and Ian Pawn**, *Life and Death in Mosquito Lagoon: A Bioarchaeological Investigation of Canaveral National Seashore, FL*
- 4:00 **Brewer, David**, *The Surruque of Canaveral: Being an Overview of Known Historic, Ethnohistoric, and Probable European Encounters with the Southernmost Timucuan Confederacy During the 16th and 17th Centuries in the Area of Cape Canaveral and a Summary of Archaeological Work Carried Out by the National Park Service in 1990 and 1995*

17. Dogwood

General Session: Subsistence, Seasonality, and Settlement

Chair: Matthew Compton

- 1:20 **Dillian, Carolyn**, *New Methods for Understanding Anthropogenic Change at the Little River Neck Shell Midden, South Carolina*
- 1:40 **Walls, Lauren**, *The Lone Midden: Expanding the Limits of Inference at Short-Term or Special-Use Sites in the Gulf Coast Region*
- 2:00 **Crites, Gary, and Timothy Baumann**, *The Emergence and Distribution of Beans (*Phaseolus vulgaris*) in the Upper Tennessee River Valley*
- 2:20 **Compton, Matthew**, *Archaeofaunal Remains from the Ravensford Site: A Regional and Ethnohistorical Perspective on Animal Use in the Appalachian Summit*

- 2:40 **Cannarozzi, Nicole R., and Michal Kowalewski**, *Determining Seasonal Oyster Deposition from St. Catherines Shell Ring using Monte Carlo Modeling of Impressed Odostome (*Boonea impressa*) Population Demography*
- 3:00 **BREAK**
- 3:20 **O'Donnell, Sharlene K.**, *The Weeden Island Seascape: Zooarchaeological Findings at Weeden Island Archaeological Site (8PI1)*
- 3:40 **Sampson, Christina Perry**, *Subsistence and Settlement: Early Safety Harbor at the Weeden Island Site (8Pi1)*
- 4:00 **Wagner, Gail E., and Keith Stephenson**, *Middle to Late Woodland Subsistence at the G. S. Lewis-West Site (38AK228), South Carolina*
- 4:20 **Purcell, Gabrielle**, *Plant Remains from the Smokemont Site in the Appalachian Mountains of North Carolina*
- 4:40 **Harding, Gregg, and Ramie Gougeon**, *Treading Lightly: An Approach to the Exploration and Documentation of Florida Cave Sites*
- 18f—**Ferguson, Terry, and Carl Steen**, *In Search of the Lost Kiln: A Geophysical Reconnaissance at the B. F. Landrum Pottery (38AK496)*
- 18g—**Brilliant, Brooke**, *Not Another Cell Tower Survey! An Examination of Data Gained from Archaeological Surveys of Cell Tower Tracts*
- 18h—**Adams, Olivia, Maureen Hays, and Kimberly Pyszka**, *Landscape Archaeology and GIS: Understanding Cultural Adaptation and Tenant Farming in the Lowcountry (Hollywood, SC)*
- 18i—**Banschbach, Mary, Dominic J. Day, Emma Mason, Christopher Curry, Sarah Love, and Daniel P. Bigman**, *Long-term Changes in Landscape Use Patterns at Sampson Island, Congaree National Park, SC*
- 18j—**Dennison, Meagan, and Mark Freeman**, *DAGS - Digital Archive of Archaeological Dog Burial and Metric Data of the Americas*
- 18k—**Anderson, David, Stephen J. Yerka, Eric C. Kansa, Sarah W. Kansa, Joshua J. Wells, Thaddeus G. Bissett, R. Carl DeMuth, and Kelsey Noack Myers**, *Linking Archaeological Data at a Large Scale: The Digital Index of North American Archaeology (DINAA)*

18. Teal Ballroom

Poster Session: Geophysics, Modeling, and Data Sharing, 2:00 pm – 5:00 pm

- 18a—**Donnan, Ben**, *A Geophysical Examination of a Terminal Woodland Embankment and Ditch at Toltec Mounds Site (3LN42), Scott, Arkansas*
- 18b—**Nowak, Jesse, Daniel Bigman, and Daniel Seinfeld**, *Remote Sensing within Lake Jackson's Mound Precinct: An Examination of Mississippian Settlement Patterns*
- 18c—**Tucker, Bryan, Victor Thompson, and Matt Golsch**, *Geophysical Investigations at the Cane Patch site (9CH35) on Ossabaw Island, Georgia*
- 18d—**Thacker, Paul**, *The Mineralogy behind the Magnetism: Sedimentology and Site Formation Processes in North Carolina*
- 18e—**Colvin, Matthew H.**, *Assessing Monumentality in the Okeechobee Basin, Florida and the Scope of LiDAR Imaging*

THURSDAY EVENING

SEAC Reception, 6:00 pm-8:00 pm, Upcountry History Museum

FRIDAY MORNING

19. Redbud B, C

Symposium: *Early Human Life on the Southeastern Coastal Plain*

Organizers: Albert C. Goodyear and Chris Moore

- 8:00 **Dunbar, James S.**, *The South-Eastern Warm Thermal Enclave, Perturbations of the Late Pleistocene*
- 8:20 **Lowery, Darrin, and Dennis Stanford**, *42,000 Years of Delmarva's Upland Geoarchaeological Record*

8:40 **Stanford, Dennis, and Darrin Lowary**, *The Chesapeake Bay Bifaces: Evidence for an LGM Occupation of the Eastern North America*

9:00 **Leigh, David, and Bradley Suther**, *Landforms Favoring Buried Pre-Clovis and Paleoindian Sites on the Atlantic Coastal Plain*

9:20 **Meredith, Steven M.**, *Clovis Sites in the Gulf Coastal Plain of Southwest Alabama*

9:40 **BREAK**

10:00 **Purdy, Barbara**, *Ancient Floridians at the Container Corporation of America Site (8MR154), Marion County, Florida > 20,000 YA: A Re-examination after 37 Years*

10:20 **Ensor, Blaine**, *Development of a New Paradigm for Early Settlement of the Americas: Data from the Gulf Coastal Plain and Beyond*

10:40 **Anderson, Derek T., Ashley M. Smallwood, Albert C. Goodyear, and D. Shane Miller**, *Stratigraphy and Dating at the Topper Site, South Carolina*

11:00 **LeCompte, Malcolm A., James P. Kennett, Ted E. Bunch, Allen West, and Wendy S. Wolbach**, *Clovis and the Younger Dryas Cosmic Impact at 12.8 ka BP*

11:20 **Pevny, Charlotte, R. Christopher Goodwin, and William P. Barse**, *From Biscayne Bay to the Cody Scarp: The Early Archaic Bolen Horizon in Florida*

11:40 **Austin, Robert J., Sam B. Upchurch, James S. Dunbar, Richard W. Estabrook, and Jon C. Endonino, and Adam Burke**, *The Quarry Cluster Approach to Chert Provenance Studies, with Examples from Florida*

20. Regency F

Symposium: Archaeology at South Carolina State Parks

Organizers: David Jones and Andrew Agha

8:00 **Jones, David**, *Spanish Mount Stabilization*

8:20 **Agha, Andrew**, *Complexities at Charles Towne Landing, or, How I Learned to Stop Worrying and Love the Palisade*

8:40 **Isenbarger, Nicole**, *People, Pots and Palisades: Looking at 17th Century Cultural Interactions through Local Pottery along the Ashley River*

9:00 **James, Larry**, *Grace Under Fire: The Archaeological Investigation at St. George Parish Church and Cemetery*

9:20 **Young, Stacey**, *Archaeology and Interpretation of Hampton Plantation State Historic Site*

21. Regency F

Symposium: Ancestors and Creation: The Symbolism and Founding Ideologies of Mississippian Belief Systems

Organizers: Johann A. Sawyer and F. Kent Reilly

10:00 **Duncan, James, Carol Diaz-Granados**, *Sun and Morning Star/Father and Son: Co-Occurrences in Missouri Rock Art*

10:20 **Smith, Kevin E., Robert V. Sharp**, *The Middle Cumberland "Changing Woman" and the Path of Souls*

10:40 **Sharp, Robert V.**, *Creating and Displaying the Images of Creation's Actors: The Ritual Function of Mississippian Flint-Clay Figures*

11:00 **Stauffer, Grant, and Jesse Nowak**, *The House Between Life and Death: Female Sepultures in Mississippian North Florida*

11:20 **Kelly, John**, *The Historical Context of the Central Pole and the Ceremonial Celt in PreMississippian Societies on the Northern Margins of the Greater Southeast*

11:40 **Sabo III, George**, *"Paired Figures Confronting a Forked Pole:" So What's Up with the Forked Pole?*

22. Regency G

General Session: Mississippi Period, Part I

Chair: Jayur Mehta

8:00 **Betzenhauser, Alleen, Elizabeth L. Watts-Malouchos**, *Creating Community in the American Bottom: Rethinking Mississippian Storage Practices*

- 8:20 **Cyr, Howard, Scott Meeks, Rocco de Gregory, and Hunter Johnson**, *Life along the Yazoo River; Explanations into the Timing and Length of Occupation at 22HO626, a Late Woodland and Early Mississippian site in the Lower Mississippi Valley*
- 8:40 **Noack Myers, Kelsey, Kelsey E. Witt, and Elizabeth L. Watts-Malouchos**, *Ancient Canine DNA: Implications for Late Woodland and Mississippian (AD 600-1400) Relatedness, Interactions, and Movements in the Midwest*
- 9:00 **Skousen, B. Jacob**, *Making a Case for Large-Scale Gatherings at the Emerald Site*
- 9:20 **Mehta, Jayur**, *Summit Architecture on Mound D at the Carson Site, Coahoma County, Mississippi*
- 9:40 **BREAK**
- 10:00 **Lennen, Joel**, *Movement and Performance at the Canebrake Site*
- 10:20 **Ashley, Keith**, *The Grand Shell Ring: Commemorating the Past*
- 10:40 **Sapitan, Robert, and Keith Ashley**, *Living High above the River: St. Johns II Life at the T.R. Preserve Site*
- 11:00 **Hall, Kristen Cecilia Douglass**, *Suwannee Valley Redefined: A Feasting Pottery Assemblage from Parnell Mound*
- 11:20 **Mones, Micah**, *Shell Works and Shell Beads at the Edge of the Mississippian World*

23. Regency H

Symposium: Southeastern Maritime Archaeology

Organizer: Ashley M. Deming

- 8:00 **Fulmer, Nate, and Ashley Deming**, *SCIAA Maritime Research Division: Preserving and Protecting Maritime Heritage in the Palmetto State*
- 8:20 **Spirek, James**, *The Blockade of Charleston Harbor, 1861-1865: Two Archaeological Consequences*
- 8:40 **Scafuri, Michael**, *The Virtual Hunley: Archaeological Research and the Use of 3D*

Modeling to Study the H.L. Hunley Submarine

- 9:00 **James, Stephen**, *The Undine, A Tea Clipper in the Savannah River*
- 9:20 **Lydecker, Andrew**, *Archaeology of Confederate Obstructions in the Savannah River*
- 9:40 **Gifford, Matthew, and Erica Gifford**, *A Bankline Survey of the Low Country Rice Plantations Landscape*
- 10:00 **BREAK**
- 10:20 **McKinnon, Jennifer**, *"She is a treasure galleon in every respect": Preliminary Results of Recent Investigations on a Possible Late 18th Century Shipwreck in Biscayne National Park*
- 10:40 **Moore, David D.**, *Anatomy of Blackbeard's Flagship: Historical and Archaeological Research Focused Upon the Structural Remains of Queen Anne's Revenge, Beaufort Inlet, North Carolina*
- 11:00 **Carnes-McNaughton, Linda F.**, *The French Connection: Elements and Artifacts from the QAR Shipwreck*
- 11:20 **Kenyon, Kimberly**, *Conserving Blackbeard's Queen Anne's Revenge: Past, Present, and Future*
- 11:40 **Kozlowski, Ryan**, *Examining Artifacts from the Queen Anne's Revenge with Digitome® Volumetric Radiography*

24. Crepe Myrtle

Symposium: Woodland Period Settlement, Interaction, and Ritual along the North Florida Gulf Coast

Organizers: Daniel Seinfeld and Jeffrey Shanks

- 8:00 **Campbell, Jan, Prentice Thomas, Benjamin Aubuchon, and Bret Kent**, *Location, Location, Location: The Potential Importance of 8BY9 and Davis Point in Weeden Island Settlement Dynamics at Tyndall Air Force Base, Bay County, Florida*
- 8:20 **Saunders, Rebecca, and Allison Mueller**, *Swift Creek pottery from the Harrison Ring, Bay County, FL*

- 8:40 **Ellis, Sarah**, *Trafficking Rock: A Comparative Analysis of Swift Creek and Weeden Island Lithic Procurement and Production Habits*
- 9:00 **Dengal, Craig**, *Baker's Landing (8BY29): A Swift Creek Mound and Ring Midden Complex on the Northwest Florida Gulf Coast*
- 9:20 **Hill, Lou**, *Less is Moore: An Analysis of the Artifactual Material from Four Woodland Burial Mounds at the Tucker and Bird Hammock Sites on the Florida North Central Gulf Coast*
- 9:40 **BREAK**
- 10:00 **Shanks, Jeffrey**, *Coastal Connections: Intraregional Interaction among Woodland Mound and Village Sites in Northwest Florida*
- 10:20 **Russo, Mike**, *Overcoming the Willeys at Mound Field, North Florida Gulf Coast*
- 10:40 **Seinfeld, Daniel**, *New Insights into Ritual and Monumentality at the Letchworth Mounds Site (8JE337)*
- 11:00 **Wallis, Neill, and Paulette McFadden**, *Garden Patch (8DI4): Building a Middle Woodland Ceremonial Center on the Northern Peninsular Gulf Coast*
- 11:20 **Donop, Mark C.**, *An Introduction to the Weeden Island Palmetto Mound (8LV2) on Hog Island*
- 11:40 **Pluckhahn, Thomas J., Victor D. Thompson, and J. Matthew Compton**, *Archaeological Investigations at the Roberts Island Shell Mound Complex: Late Woodland Settlement and Ceremony on Florida's West-Central Gulf Coast*

25. Redbud A

General Session: Forts and Missions

Chair: David Moore

- 8:20 **Spring, Anita**, *Multi-site Archeology: The Search for Fort Caroline*
- 8:40 **Crowe, Fletcher S.**, *Why Fort Caroline Was Not Located Near Jacksonville*
- 9:00 **Beaman, Thomas E., and John J. Mintz**, *The Port and the Forts: The*

- Archaeology of Civil War Defensive Landscapes on the Lower Cape Fear River*
- 9:20 **Moore, David, Robin A. Beck, Jr., Sarah C. Sherwood, and Christopher B. Rodning**, *Continuing Investigation of the Fort San Juan Moat/Ditch at the Berry Site*
- 9:40 **Sappington, Ericha**, *Two of the Bastions Face the Sea: Constructing and Reconstructing History at Fort San Marcos de Apalache, a Remote Spanish Outpost in the Borderlands of La Florida*
- 10:00 **BREAK**
- 10:20 **Malischke, Lisa Marie**, *Old Methods Made New—French Fort St. Pierre (1719-1729), Daily Life, Stanley South, and Multivariate Statistics*
- 10:40 **Smith, Steven D., and James B. Legg**, *Recent Research at Fort Motte*
- 11:00 **Waters, Gifford**, *17th-18th Century Stone and Tabby Architecture at Mission Nombre de Dios, St. Augustine, FL*
- 11:20 **Marrinan, Rochelle**, *Early and Late Mission Assemblages from Apalachee Province*
- 11:40 **Melcher, Jennifer**, *The Last Mission of Northwest Florida*

26. Dogwood

General Session: Geophysics, Modeling, and Chemical Analyses

Chair: Jeremy Menzer

- 8:00 **Menzer, Jeremy, Jay Franklin, and Eileen Ernenwein**, *Geophysical Explorations and Archaeological Testing at the Mississippian Pile Mound Site, Upper Cumberland Plateau, Tennessee*
- 8:20 **Hadley, Jr., Scott P.**, *Large-Scale Geophysical Survey at the Denmark Site (40MD85), a Middle Mississippi Town in West Tennessee*
- 8:40 **Du Vernay, Jeffrey, Lori Collins, Travis Doering, and Joseph Gamble**, *The 3D Documentation and Visualization of the Lake Jackson (8Le1) Copper Plates*

9:00 **Collins, Lori, Travis Doering, Margo Schwadron, James McLeod, Jeffrey Du Vernay, and Jorge Gonzalez**, *LiDAR and 3D Documentation at the Ninety Six National Historic Site, South Carolina: Using Digital Preservation Strategies to Better Manage, Protect, and Interpret the Only Existing American Revolutionary War Tunnel*

9:20 **Doering, Travis F., Lori D. Collins, Margo Schwadron, and Ken Wild**, *3D Documentation and Analysis of the Reef Bay Valley Petroglyphs, St. John, U.S. Virgin Islands*

9:40 **Dalton-Carriger, Jessica, and Elliot Blair**, *Searching for the Protohistoric Period in East Tennessee: Answering Chronological Questions via pXRF and LA-ICP-MS Analyses*

10:00 **Daniels, James, and Paul Webb**, *Using pXRF to Measure Chemical Variability of Potsherds from the Hickory Log Site (9CK9) in Cherokee County, Georgia*

10:20 **BREAK**

10:40 **Golsch, Matthew, Brandon Ritchison, Matthew Colvin, Bryan Tucker, and Victor Thompson**, *Utilizing Complementary Techniques to Understand Formation Processes at the Ossabaw Island Shell Ring (9CH203)*

11:00 **Gordon, Falicia, and Brandon Thompson**, *Archeological and Remote Sensing Investigations at the Weissinger Ancestral Plantation Home Site*

11:20 **Colombo, Leah, and John Gifford**, *Preliminary Results - Development of a Predictive Model to Locate Potential Submerged Prehistoric Archaeological Sites in Florida Bay, Everglades National Park*

11:40 **Williams, Mark**, *One Last Beaver Paper*

27. Teal Ballroom

Poster Session: Bioarchaeology, Settlement, and Subsistence, 9:00 am — Noon

27a—**Aleszczyk, Julia**, *There's Nothing Humerus about the Funny Bone: An Investigation of Septal Aperture Prevalence in the St. Johns Region*

27b—**Pierson, Michele, and Caitlin Wamser**,

An Osteological Inquiry of Age and Sex Among Individuals Uncovered at Holy Spirit Catholic Church

27c—**Rinker, Emily, and Stuart Nealis**, *Bioarchaeological Analyses of Health Trends at Eastern State Hospital, Lexington, Kentucky*

27d—**Roberts Thompson, Amanda D., Bryan Tucker, Jennifer Bedell, Megan Teague Tucker, Matt Golsch, Brandon Ritchison, Matt Colvin, Katherine Napora, Rachel Black, Aimee Bouzigard, and Victor D. Thompson**, *Articulating Management and Research on Ossabaw Island, Georgia*

27e—**Mickelson, Andrew**, *Current Status of Mississippian Settlement Patterns Research at the Ames Site in Western Tennessee*

27f—**Jones, Eric and Pierce Wright**, *Examining Intrasite Settlement Patterns in the Upper Yadkin River Valley, AD 1200-1600*

27g—**Hacker, Stephanie, and Howard Cyr**, *An Integrative Archaeological and Geomorphological Approach to Understanding Site Distributions and Prehistoric Settlement Patterns along the Little River, East Tennessee*

27h—**Singleton, Hayley**, *Midden between the Mounds: Recent Investigations of Subsistence at the Garden Patch Site (8DI4)*

27i—**Carmody, Stephen B., Sarah C. Sherwood, Jon Russ, and Madison Fuller**, *Multiple Data Sources in the Study of Plant Processing at the Michaels Shelter (40FR276), Sewanee, TN*

27j—**Savarese, Michael, Karen J. Walker, William H. Marquardt, and Victor D. Thompson**, *Influence of Native American Overharvesting on the Population Structure of the Eastern Oyster, Crassostrea virginica: Shifting Baselines in Southwest Florida's Estuaries*

28. Magnolia

SAC Luncheon: Navigating the Modern Job Market, Noon— 1:30 pm, Robin Beck, Megan Kassabaum, David Morgan, Melissa Twaroski, Rich Weinstein, and Tasha Benyshek

FRIDAY AFTERNOON

29. Redbud B, C

Symposium (continued): *Early Human Life on the Southeastern Coastal Plain*

Organizers: Albert C. Goodyear and Chris Moore

- 1:00 **Wilkinson, Joseph E.**, *Across the Coastal Plain: Looking at Early Archaic Hafted Bifaces by Raw Material and Geography*
- 1:20 **Young, Christopher K., and M. Steven Shackley**, *Travelin' Rhyolite: Sourcing Lithic Raw Material in Relation to the Johannes Kolb Archaeological Site (38DA75)*
- 1:40 **Smallwood, Ashley, Thomas Jennings, David Anderson, Jerald Ledbetter**, *Testing for Evidence of Paleoindian Responses to the Younger Dryas in Georgia*
- 2:00 **Bridgman Sweeney, Kara**, *Multiple Scales of Interaction and Tradition in the Early Side-Notched Horizon*
- 2:20 **Thulman, David K.**, *Discerning Early Archaic Bolen Territories using Geometric Morphometrics*
- 2:40 **Goodyear, Albert, and Douglas Sain**, *PreClovis Archaeology and Geochronology at the Topper Site*
- 3:00 **BREAK**
- 3:20 **Adovasio, James, C. Andrew Hemmings, and Anne Marjenin**, *The Old Vero Man Site (8IR009): Current Investigations Suggest Pleistocene Human Occupation*
- 3:40 **Moore, Christopher R., Mark J. Brooks, I. Randolph Daniel, Jr., Andrew H. Ivester, and James K. Feathers**, *Regional Manifestations of Late Quaternary Climate Change and Archaeological Site Burial along the South Atlantic Slope*
- 4:00 **Harris, Scott**, *Archaeological Implications of Continental Landscapes of the Southeastern U.S. Coastal Plain since the Last Interglacial*
- 4:20 **Anderson, David**, Discussant
- 4:40 **Schuldenrein, Joseph**, Discussant

30. Regency F

Symposium (continued): *Ancestors and Creation: The Symbolism and Founding Ideologies of Mississippian Belief Systems*

Organizers: Johann A. Sawyer and F. Kent Reilly

- 1:00 **Sawyer, Johann**, *First Man And Centered Poles*
- 1:20 **Dye, David**, *Lightning Boy Face Mask Gorgets and Thunder Boy War Clubs: The Ritual Organization of Lower Mississippi Valley Warfare*
- 1:40 **Boles, Steven**, *Supernaturals in the Confluence Region*
- 2:00 **Reilly, Kent**, *Foundational and Cosmological Themes In Mississippian Engraved Shell Art: Ideological Imagery And The Visual Depiction of the Ceremonies Of Creation*
- 2:20 **Brown, James**, *Ideological Referents of the Spiro Spirit Lodge*
- 2:40 **King, Adam**, *Vestiges of First Man at Etowah*
- 3:00 **Thornock, Christopher L.**, *Mississippian Mounds as Tableaus, Ceremonial Houses, and Members of the Community: An Example from the Hollywood site (9RI1)*

31. Regency F

General Session: Style & Iconography

Chair: Elizabeth Horton

- 3:40 **Horton, Elizabeth**, *Weaving for the World Beyond; Iconographic and Decorative Fabrics from Craig Mound at Spiro*
- 4:00 **Iverson, Richard L.**, *A New Approach for Interpreting Prehistoric Eastern North American Shamanic Cult Iconography*
- 4:20 **Buchanan, Meghan**, *Making Pots, Making War: Mississippian Plate Iconography in the Midcontinent*
- 4:40 **Bryant, Laura A.**, *Figural Forms: The Styles and Dispersion of the Mississippian Female Effigy Bottles*

32. Regency G

General Session: Historic Archaeology

Chair: Victor Thompson

- 1:20 **Price, Sarah, and Heather Puckett**, *Desperately Seeking Zula*
- 1:40 **Costa, January W.**, *An Analysis of Ceramics from Holly Bend, North Carolina: A Comparative Study of Recovered Ceramics to Locally Manufactured Wares in the Catawba Valley*
- 2:00 **Pigott, Michelle**, *"Apalacha-Creek": Discussing Cultural Hybridization Through Ceramic Analysis*
- 2:20 **Webb, Paul, Matt Wilkerson, Tasha Benyshek, Bruce Idol, and Michael Nelson**, *Transportation Archaeology and Cherokee Sites in Western North Carolina*
- 2:40 **Baumann, Timothy E, Ted Clay Nelson, and Jessica Dalton-Carriger**, *Cherokee or Muskogee (Creek)?: Cultural Affiliation on Hiwassee Island*
- 3:00 **BREAK**
- 3:20 **Thompson, Victor, William Marquardt, Karen Walker, Amanda Roberts Thompson, and Lee Newsom**, *In the Shadow of the King's House: Exploring Calusa and Spanish Architecture at Mound Key*
- 3:40 **Auerbach, Jeff**, *Not Die But In Jerusalem: The Nutritional Consequences of the Nat Turner Revolt*
- 4:00 **Steen, Carl, and Terry Ferguson**, *Finding the Lost Kiln at the B.F. Landrum Pottery*
- 4:20 **Bordelon, Blair**, *Archaeology of the Irish Channel: Transnational Identities and Ethnic Boundaries among 19th and Early 20th Century Immigrants*
- 4:40 **Moser, Jason D., and Chan Funk**, *Fort Jackson's Historic Archaeology: A Review of Significance and Integrity--25 years On*

33. Regency H

Symposium: Mississippi Mound Trail Research

Organizers: John W. O'Hear and Erin Stevens Nelson

- 2:20 **Steponaitis, Vincas, Megan Kassabaum, Mallory Melton, David Cranford, and Ashley Peles**, *An Overview of Mississippi Mound Trail Excavations in the Natchez Bluffs*
- 2:40 **Kassabaum, Megan**, *Preliminary Investigations at the Smith Creek Mounds, Wilkinson County, Mississippi*
- 3:00 **Kowalski, Jessica, and H. Edwin Jackson**, *On the Mound Trail: Mississippian Polities in the Lower Yazoo Basin*
- 3:20 **Henderson, Cecilia, and H. Edwin Jackson**, *Coles Creek Mounds in the Lower Yazoo Basin: Mississippi Mounds Trail Investigations at the Carter Site and Aden*
- 3:40 **Johnson, Jay K., Bryan Haley, Stephen Harris, Erika Carpenter, and Travis Cureton**, *Mississippi Mounds Trail Research in the Upper Yazoo Basin*
- 4:00 **McLeod, Todd, and John Connaway**, *Developing an Architectural Sequence for a Portion of the Mound A Enclosure at the Carson Mound Group, Coahoma County, Mississippi*
- 4:20 **Butz, Samuel H.**, *Excavations of Mound B: A Ridgetop Mound at the Carson Site, an Early Mississippian Mound Center in the Northern Yazoo Basin*
- 4:40 **O'Hear, John W., and Erin Stevens Nelson**, *The Mississippi Mound Trail in Archaeological Context: A First Try*

34. Crepe Myrtle

SAC Panel: Gender in Archaeology, 2:00 pm – 5:00 pm, Maureen Meyers, D. Shane Miller, Chris Rodning, Tanya Peres, Charlie Cobb, Sissel Schroeder, Gayle Fritz, Tamira Brennan, Robert Rohe, Sarah Miller, Jim Pritchard, Dana Bardolph, and Amber VanDerwarker

35. Redbud A

General Session: GIS Applications

Chair: Mark Wagner

- 1:20 **Law, Zada**, *Triangulating Scholarship, Primary Sources, and Geospatial Visualization to Map the African American Landscape of the Civil War*
- 1:40 **Smith, Allison M., John W. Cottier, and Hamilton H. Bryant**, *A Historical Snapshot of the Native Landscape of the Lower Alabama River in 1814*
- 2:00 **Wesler, Kit**, *Defining Culture Area in the Era of GIS: Mississippian and Medieval Christendom*
- 2:20 **Gill, Matthew**, *Using GIS to Assess the Effectiveness of Archaeological Surveys Conducted at Avon Park Air Force Range*
- 2:40 **Wagner, Mark, and Go Matsumoto**, *Indian Mounds and Ironclads: The U.S Naval Base at Mound City, Illinois*
- 3:00 **BREAK**
- 3:20 **Tankersley, Matt**, *Identification and Analysis of the Brampton Plantation Battlefield*
- 3:40 **McLeod, Bart**, *Digital Modeling and Non-Destructive Technological Examination of Artifacts and Safety Harbor Burial Practices at Picnic Mound (8Hi3), Hillsborough County, Florida*
- 4:00 **Stack, Meg**, *Utilizing Georeferencing in Archaeology: A Quest to find the Seminole Village of Chocachatti*
- 4:20 **Keith, Scot**, *Examining Middle Woodland Swift Creek Interaction Using Least Cost Path Analysis*

36. Dogwood

General Session: Woodland Period Archaeology

Chair: Bretton Giles

- 1:00 **Rael, Travis**, *Overview of Excavations Conducted at Oakville Mounds in Lawrence County, Alabama*
- 1:20 **Hummel, Rebecca L.**, *Preliminary Work Conducted at Walker-Noe*
- 1:40 **Yon, Caroline**, *Analysis of Middle Woodland Ceramics from the Big Creek Shell Pit Site, a Possible Hopewell-Related Site*

- 2:00 **Wright, Alice P.**, *Sacred Geology: Mica and Crystal Quartz Crafting in Middle Woodland Appalachia*
- 2:20 **Giles, Bretton**, *Hopewell Caches as Communicative Acts and Mnemonically-Charged Gifts*
- 2:40 **Knight, Vernon James, Julie G. Markin**, *Reanalysis of Pottery from the Anneewakee Creek Mound, Georgia*
- 3:00 **BREAK**
- 3:20 **Norris, Sean, Ramona Grunden, Stacey Young, Heathley Johnson, and Christopher Young**, *Excavations at 38FL424: Early Woodland Cremation Burials on the Lynches River*
- 3:40 **Ogden, Quinn-Monique**, *Excavation and Analysis of Three Late Archaic/Early Woodland Semi-Subterranean Structures of at Rebellion Farms, Berkeley County, South Carolina*
- 4:00 **LaDu, Daniel A.**, *The View from Mazique (22Ad502): Rethinking the Coles Creek / Plaquemine Cultural Transition from the Perspective of the Natchez Bluffs Region of the Lower Mississippi Valley*
- 4:20 **Birnbaum, David**, *Technological Variability in St. Johns Pottery from Malabar Assemblages*

37. Teal Ballroom

Poster Session: Colonial through Late Historic, 2:00 pm– 5:00 pm

- 37a–**Cooper, Leslie, and Jillian Galle**, *Yaughan and Curriboo: A New Look at Two Eighteenth-Century Low Country Plantations*
- 37b–**Glickman, Jessica**, *Slave Ships in the Archaeological and Historic Record*
- 37c–**Meyers, Patrisha, Lareyne Ellebracht, and Kevin Gidusko**, *African-American Burial Practices in Florida: Changed Lives; Enduring Memories*
- 37d–**Funk, Chan, and Jason D. Moser**, *Eligibility Intervals on Fort Jackson, South Carolina*
- 37e–**Sams, Adrienne B.**, *From Big House to Farm House: 100 Years at Arcadia Mill's Simpson Lot*

- 37f–**Wright, Katherine, and Alesia Hoyle**, *Riches or Resources: A Comparison of Historic Artifacts from a Rural Farmstead Site in Mississippi and an Urban Site in Tennessee*
- 37g–**Dunn, Kathryn**, *Establishing the Past Lives of Appalachia in the Berea College Forest*
- 37h–**Idol, Coy J.**, *Investigations into the Oldest Standing Structure in North Carolina*
- 37i–**Moore, Christopher R., and Richard W. Jefferies**, *Seventeenth Century Mission Period Cultural Dynamics on Sapelo Island, Georgia*
- 37j–**Richardson, Mary Anna**, *More than Pencils: An Analysis of English Graphite at Jamestown*

FRIDAY EVENING

SEAC Business Meeting, 5:30 pm– 6:45 pm, Ballroom C

SEAC Dance, 9:00 pm– Midnight, Ballroom C

SATURDAY MORNING

38. Redbud B, C

Symposium: *The Creation and Legacy of the Carolina Colony*

Organizers: Sarah Stroud Clarke and Kimberly Pyszka

- 9:00 **Zierden, Martha, Nicholas Butler, and Katherine Pemberton**, *For Defense and Trade: The Walled City of Charleston*
- 9:20 **Stroud Clarke, Sarah**, *The Mystery of the Red Ceramics Continues: Understanding a Unique Assemblage of Coarse Earthenware c.1680-1740*
- 9:40 **Pyszka, Kimberly, Kalen McNabb, and Maureen Hays**, *“a small, but convenient House of Brick”: The St. Paul’s Parish Parsonage House*
- 10:00 **Hudgins, Carter**, *Contextualizing Drayton Hall in the British Atlantic World: an Examination of the Elite Status of an 18th Century Lowcountry Home Seat*

- 10:20 **BREAK**
- 10:40 **Altizer, Kendy**, *Three Hoes in the Kitchen: The Conceptualization of Peachtree Plantation, St. James Santee Parish, South Carolina*
- 11:00 **Shepherd, Rebecca**, *Going Up the Country: A Comparison of Elite Ceramic Consumption Patterns in Charleston and the Carolina Frontier*
- 11:20 **Falls, Eva**, *Assigning Site Function: An Archaeological Exploration of a Settlement at Dixie Plantation, Hollywood, SC*
- 11:40 **Hudgins, Carter L.**, Discussant

39. Regency F

Symposium: *The Fallen Tree Mortuary Complex: Unexpected Finds on St. Catherines Island (Georgia)*

Organizers: Matthew Napolitano and David Hurst Thomas

- 9:00 **Keeton, Glen, Nicholas Triozzi, Thomas Blaber, Matthew Napolitano**, *When z Becomes x: Excavating Three Late Mississippian Ossuaries from the Bottom Up*
- 9:20 **Thomas, David Hurst, Clark Spencer Larsen, and Laurie Reitsma**, *Explicating the “Guale Problem at Fallen Tree (St. Catherines Island, Georgia)*
- 9:40 **Reitsema, Laurie, and Hannah Morris**, *The St. Catherines Island Isoscape, in Aid of Paleodiet and Paleoclimate Reconstructions*
- 10:00 **Triozzi, Nicholas, and Anna Semon**, *A Vessel to the Next World: Examining an Urn Burial from Fallen Tree and others on the Georgia Coast*
- 10:20 **Semon, Anna M.**, *Characterizing Irene Period Ceramics from Mortuary and Village Contexts on St. Catherines Island*
- 10:40 **Napolitano, Matthew**, *Exploring Mississippian Connections through Mortuary Objects on St. Catherines Island, Georgia*

40. Regency G

General Session: Caddo Research

-
- Chair: Mary Beth Trubitt
- 9:00 **Younger-Mertz, Stewart, Jack Manuel, Tilo Reinert, Szabolcs Szilasi, Scott Hammerstedt, and Gary Glass, *Ion Beam Analysis and Caddo Archaeology***
- 9:20 **Trubitt, Mary Beth, *Ethnicity, Identity, and Community in the Ouachita Mountains***
- 9:40 **Samuelsen, John, *A Reanalysis of Strontium Isotopes from the Crenshaw Site: Implications on Caddo Interregional Warfare***
- 10:00 **Girard, Jeffrey, *Alluvial Geoarchaeology in the Lower Red River Floodplain, Northwest Louisiana***
- 10:20 **BREAK**
- 10:40 **Lawhon, Taylor, Karl Bennett, and Paul N. Eubanks, *Preliminary Interpretations from Two Potential Habitation Zones at Drake's Salt Works***
- 11:00 **Eubanks, Paul N., *A Day in the Lives of the Caddo Salt Makers at Drake's Salt Works***
- 11:20 **Rutecki, Dawn M., *Burial 62 at Spiro: Understanding Material Connections***
- 11:40 **Livingood, Patrick, Amanda Regnier, and Scott Hammerstedt, *2013 and 2014 Excavations of Spiro Lower Terrace Structures***
- 9:20 **Boudreaux, Tony, Heidi Rosenwinkel, *Houses and Cemeteries within the Mississippian Town at Town Creek***
- 9:40 **Lyle, Erika L., and Timothy Baumann, *Negative Painted Pottery from East Tennessee***
- 10:00 **BREAK**
- 10:20 **Howell, Cameron, *Dynamics of the Mississippian Period Fission-Fusion Process: a Case Study from Eastern Tennessee***
- 10:40 **Schubert, Ashley, *Pisgah Ceramic Variation in the Southern Appalachians***
- 11:00 **Powis, Terry, Adam King, Louis Grivetti, and Nilesh Gaikwad, *Black Drink Ceremonialism at Etowah***
- 11:20 **Hally, David, and John Chamblee, *The Spatial and Temporal Distribution of Mississippian Polities in the Nuclear Southeast***
- 11:40 **Rathgaber, Michelle M., *Earthquake Impacts on Settlement during the Mississippian Period in NE Arkansas***

41. Regency H

General Session: Mississippi Period, Part II

Chair: Tony Boudreaux

- 8:20 **Watts-Malouchos, Elizabeth L., *New Insights into the Early Mississippian Occupation of Southwestern Indiana: Preliminary Results from Recent Excavations at the Stephan-Steinkamp Site (12PO33)***
- 8:40 **Barzilai, Rebecca M., *A Tale of Two Burned Structures at the Emerald Site in Lebanon, IL***
- 9:00 **Ricciardelli, Taryn, *Mississippian Settlement Patterns in the Town Creek Area, North Carolina***

42. Redbud A

Symposium: *Interpreting the Past, Teaching the Present, and Planning for the Future: A Symposium on Current Practices in Public Archaeology*

Organizers: Meg Gaillard, Helena Ferguson, and Erika Shofner

- 8:20 **McReynolds Shebalin, Theresa, Anna Baker, Samantha Baker, and Katherine Matthews, *Dirty Hands and Lifelong Memories: Engaging Pre-Collegiate Students through Archaeology Summer Camps***
- 8:40 **Shofner, Erika, Helena Ferguson, and Meg Gaillard, *Archaeology in the Classroom***
- 9:00 **Murray, Emily Jane, *Community Archaeology at the Bronson-Mulholland House and Beyond***
- 9:20 **Poplin, Carol J., *Sharing the Past with the Public through CRM: An Example from A Freedmen's Community***

9:40 **Joseph, Nicholas S.**, *Archaeology on Wheels: The Society for Georgia Archaeology's ArchaeoBus* Archaic Decapitations in Prehistoric North Alabama

10:00 **BREAK**

SATURDAY AFTERNOON & EVENING

10:20 **Miller, Megan Marie**, *Little Orange Creek Park: How Public Archaeology Encourages Community Involvement in Hawthorne, FL*

Textile Heritage Tour (by reservation), 1:15 pm – 5:00 pm

10:40 **Nohe, Sarah**, *From Cuba with 'Chug: ' Interpreting the Historical Significance of a Vernacular Watercraft Collection*

Archaeology Field Day at Croft Park, 9:00 am – 5:00 pm

11:00 **Harke, Ryan and Sarah Miller**, *Shells of Florida's Historic Cemeteries: What can we Learn?*

Great Spirits of SEAC, 5:30 pm – 6:30 pm, Regency D, E

11:20 **Gaillard, Meg**, *The SCDNR Heritage Trust Program: 40 Years of Preservation*

Low Country Boil (by reservation), 6:30 pm – 8:00 pm, Regency D, E

11:40 **Taylor, Sean**, *What do cultural resources have to do with the South Carolina Department of Natural Resources?*

43. Dogwood

Symposium: Sister Research in the Same Field: Historic and Prehistoric Bioarchaeology in the Southeastern United States

Organizers: Rachel E. Black and Michaelyn S. Harle

9:00 **Hodge, Shannon Chappell**, *Lions and Tigers and Burials: Bioarchaeology of the Nashville Zoo Cemetery*

9:20 **Stewart, Ashley**, *An Osteological and Forensic Photographic Analysis of Prehistoric Multiple Burials in the Middle Tennessee Valley*

9:40 **Applegate, Darlene, and Hannah Conner**, *Early Woodland Non-Mound Bioarchaeology: Analysis of Human Remains from Site 15WA399, Warren County, Kentucky*

10:00 **Matternes, Hugh**, *Post-Mortem Dynamics in a 19th Century Interment from Central Georgia*

10:20 **Beasley, Virgil**, *"Land of Wealth and Beauty": A Cemetery of Lumber Mill Barons near Brewton, Alabama*

10:40 **De Vore, William, Keith Jacobi**, *Post-Cranial Mutilations Associated with Late*
